Summary of the project	<p>The project, “Earth” is a multilateral Youth Exchange which will take place in Sicily, in the small town of Gangi from the 5h of March to the 12th of March 2012.</p> <p>The participants will be 36 youngs, aged 18-25, from 7 European countries: Greece, Turkey, Latvia, Bulgaria, Romania, Germany and Italy as the coordinator and hosting country. Main theme for the project regards to environment, Millennium Development Goals and European awareness of young participants regarding these important issues. The project, indeed, aims to build European awariness of each participant by using art and related tools in order to make them aware regarding the protection of the</p>												

	<p>environment and the sharing of alternative solutions to preserve it.</p> <p>In this perspective, thanks to the daily activities they will be involved on, they will experience European and local life as well. Youth, involved at each stage of the project, will have the opportunity to check themselves in team-work and they will become more aware of the importance of the European citizenship, the Youth in Action Programme and the European year of Volunteering.</p>
